

“Where Personal Service is Powerful Medicine”

Dear Resident and Family,

Hello and Welcome!

Please allow me to introduce our Pharmacy and myself. My name is Courtney Doherty Oland; I am a pharmacist and President of Guardian Pharmacy of Maine. On behalf of the team, we are honored to be a preferred provider of pharmacy services in the community in which you or your family member lives.

Guardian Pharmacy of Maine is located in Brunswick and is a locally owned member of the Guardian Pharmacy family of pharmacies. I am a proud member of the ownership group here in Maine. Our team of 60+ employees has more than 300+ years of combined Long Term Care Pharmacy Experience.

Please allow me to highlight some things that make us unique:

- **Daily delivery** – 7 days a week is free and part of the Guardian of Maine service offering.
- **24-hour availability** – including an **On Call Pharmacist** – to assist the community in managing emergency needs.
- **Pharmacists who specialize in Elder Care** closely monitor all orders for appropriateness, compatibility and safety.
- **Fully Integrated** with many of the community **Electronic Medical Records** – to insure safety and appropriate oversight of medication management.
- **Clinical Pharmacists who provide both on site and consulting services to the community and work in the pharmacy operation in Brunswick.** This is unique to Guardian Pharmacy of Maine and we feel this allows us to provide the highest level of service to our communities and customers. The consultant visits the community regularly and our entire team can provide clinical and regulatory support.
- We deliver medications in **Specialized Packaging** - Bingo Card or Multidose Pouches – to ensure safety and compliance. This is provided at no additional cost.
- **OTC Saver Program** – If not provided by the community, we can provide a list of over the counter medications available for the low price of \$3.49 for up to a months supply. (ask the community or call us for the list so that you can contact the provider to coordinate OTC orders)

“Where Personal Service is Powerful Medicine”

- **On site, Pharmacy Billing Specialists** who work to get medications covered and maximize insurance coverage by intervening on behalf of the customer to get prior authorization (PA) initiated. These specialists have saved our customers \$1.5 million dollars annually, reducing monthly pharmacy cost by an average of \$300/ per patient) Billing Specialist are available 7 days a week to assist you with coverage questions and billing support.

We provide all services from one location, which means better service for you! One phone number to call.

While residents and families have the right to choose their pharmacy provider, we stress that State and Federal Regulations place increased responsibility for accurate medication administration on communities. All communities must define uniform standards for labeling, packaging, storage, ordering and administering medications safely. These standards are essential to providing medication management safely & accurately. The added challenges of COVID – 19 have only served to reinforce the need to have a preferred pharmacy provider for the entire community so that infection control and prevention procedures are solidly in place. At Guardian Pharmacy of Maine, we have been on the front lines since the beginning updating our procedures to support the communities with whom we collaborate. We have and will maintain / update our COVID -19 precautions as needed.

Please feel free to visit our web site www.guardianpharmacymaine.com to read a little about our story and meet my team.

Thank You for this opportunity and Welcome!
